#### **Submission of proxy electronically**

18. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy, the revocation of a proxy appointment or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID: 7RA11) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the appointee by other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

#### **Explanatory notes on certain business of the AGM**

##### **21. Resolution 9 – Directors’ authority to allot shares**

This resolution grants the directors authority to allot shares in the capital of the Company and other relevant securities up to an aggregate nominal value of £6,396,030 – this represents approximately one third of the issued ordinary share capital of the Company. There are no treasury shares in issue in the Company as at the date of this notice.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company or the date falling 15 months from the passing of the resolution, whichever is the earlier.

##### **22. Resolution 10 – Directors’ power to issue shares for cash**

This resolution authorises the directors in certain circumstances to allot equity securities for cash other than in accordance with the statutory pre-emption rights (which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings). The relevant circumstances are either where the allotment takes place in connection with a rights issue or the allotment is limited to a maximum nominal amount of £959,404 representing approximately 5 per cent. of the nominal value of the issued ordinary share capital of the Company.

Unless revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company or 15 months after the passing of the resolution, whichever is the earlier.

#### **Treasury shares regulations**

The Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 (as amended) (“**Treasury Shares Regulations**”) give flexibility concerning what the Company can do with any of its ordinary shares that it may buy back. The Company may now hold such shares ‘in treasury’ and then sell them at a later date for cash rather than simply cancelling them. The Treasury Shares Regulations require such sales to be on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to dis-apply such pre-emption rights. Accordingly, in addition to giving the directors power to allot unissued ordinary shares on a non-pre-emptive basis, resolution 10 will also give directors power to sell ordinary shares held in treasury on a non-pre-emptive basis, subject always to the limitations noted above. The directors consider that the power proposed to be granted by resolution 10 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power.

23. **Resolution 11 – Authority to purchase shares**

This resolution authorises the board to make market purchases of up to 7,675,235 ordinary shares representing 10 per cent. of the issued ordinary share capital of the Company.

Shares so purchased may be cancelled or held as treasury shares. The authority will expire at the end of the next annual general meeting of the Company or 15 months from the passing of the resolution, whichever is the earlier. The directors intend to seek renewal of this authority at subsequent annual general meetings.

The minimum price that can be paid for an ordinary share is 25 pence being the nominal value of an ordinary share. The maximum price that can be paid is the higher of: 5 per cent. over the average market price for an Ordinary Share in the Company for the five business days immediately before the day on which the share is contracted to be purchased; and the higher of: the price quoted for the last independent trade of; and the highest current independent bid for, any ordinary shares on the London Stock Exchange plc.

The directors intend to exercise this right only when, in light of the market conditions prevailing at the time and taking into account all relevant factors (for example, the effect on earnings per share), they believe that such purchases are in the best interests of the Company and shareholders generally. The overall position of the Company will be taken into account before deciding upon this course of action. The decision as to whether any such shares bought back will be cancelled or held in treasury will be made by the directors on the same basis at the time of the purchase.
