

A man and a woman are standing in a lush garden. The woman, on the left, has long blonde hair and is wearing a light blue button-down shirt and dark jeans. She is holding a large bouquet of pink lilies. The man, on the right, has dark hair and is wearing a dark purple bomber jacket over a light blue shirt and khaki pants. He is holding a purple watering can. They are both smiling at the camera. The background is filled with various flowers, including pink roses, purple hydrangeas, and white daisies. A large window is visible in the background, and the scene is brightly lit.

LOVE BLOSSOMS

Violet (Shantel VanSanten) is a chemist who is carrying on the legacy of her Belgian family's perfume company by recreating her late father's secret formula. With a Valentine's Day deadline fast approaching, she meets the perfect "nose" and botanist -- the handsome Declan "Dec" Granger (Victor Webster) -- who could be the key to unlocking the missing ingredient. But when a rival perfumer nearly copies the formula, Violet delays returning to her life in Boston and follows her heart instead, discovering along the way that sometimes dreams can change.
