THE LEAD

Sasha Bruder has always wanted to be a star news reporter. Working her way up the ladder at a local TV station, she often covers community events but dreams of covering a bigger story. However, when she is kidnapped and held captive, she has all of a sudden become the story. Her dramatic escape soon becomes all anyone can talk about, and yet, who would want to kidnap Sasha and why? Sasha soon learns that she might not be as safe as she thought. Nothing is as it seems in the cutthroat world of TV news and the threat may be closer to home than originally suspected.
