

**Toni Desrosiers**  
Founder and Inventor  
of Beeswax Food Wrap

**Abeego**  
Victoria, BC

**bdc\***

**“Do something, especially when you can’t do everything. As a sustainable company, Abeego does good work. We’re not perfect so it’s important to recognize that sustainability has no end, rather it’s a journey with many improvements along the way.”**

**Toni Desrosiers – Abeego**

**Byron Peart**  
Cofounder

**Dexter Peart**  
Cofounder

**Goodee**  
Montréal, QC

**“After an exhilarating two decades in the centre of the fashion business, we were challenged to break the status quo. We felt frustrated by the broken system (seasonality, markdowns, etc.) and short-sighted values (throw-away and trend dependent culture).”**

**Byron and Dexter Peart – Goodee**

**Miriam Tuerk**  
Cofounder & CEO

**Clear Blue Technologies Inc.**  
Toronto, ON

**“Clear Blue brought innovative cloud software, big data, and wireless off-grid power to a grid-dependent market. We put our money where our mouth was by going beyond hardware to operate and manage the systems for unique value, gaining market adoption.”**

**Miriam Tuerk – Clear Blue Technologies Inc.**

**Jennifer Wagner**  
President

**CarbonCure Technologies**  
Charlottetown, PEI

**“Culture can make or break a team. At CarbonCure, we’re proud of our culture and strive to embody core values, including trust, straight talk and high performance. Living these values enables us to develop transformative carbon removal technologies for concrete.”**

**Jennifer Wagner – CarbonCure Technologies**
