

## DESCRIPTION

The Ryanfire Power Pad is an intumescent rubber pad used for fire rating non-combustible electrical flush boxes within compartment walls on one or both sides of the wall.

The Power Pad will swell up when exposed to fire and will close up the flush box to prevent the spread of flame and hot gasses through the wall.

## CERTIFICATION

Ryanfire Power Pads have been tested and assessed in accordance with AS1530.4:2014 and AS4072.1:2005 at IANZ/NATA accredited laboratories.

## APPLICATION

Ryanfire Power Pads are suitable for NZ approved non-combustible flush boxes up to 95mm x 55mm x 50mm. Simply place the Power Pad into the flush box to rest against the back face.

## PRODUCT DIMENSIONS

Size : 70mm x 40mm x 4mm  
Colour : Black

Ryanfire Power Pad
